

DOON PUBLIC SCHOOL, PASCHIM VIHAR, NEW DELHI

CLASS 7

INTEGRATED HOLIDAY HOMEWORK

“Self healing has been the finest art ever.”

“Let the nature heal itself and you in the most natural ways, don't resist the natural healing --complement it with self love.”

Although the whole world is facing a dire situation owing to COVID-19, there have been some positive impacts of lockdown. As it is correctly said, “A coin has two sides”, the positive side of this lockdown has been that the nature is healing itself and we have come to know the importance of family and health in our lives. Looking at the prevailing conditions and its impact, there are some assignments for you on the topic --.

‘Self Healing of Nature and Society’. Please read them carefully.

General instructions-

1. It is mandatory to do the holiday homework of all the subjects, however there may be internal choices.
2. The child will be assessed for the neat handwriting, creativity and originality. There are no marks for beautification of the file/folder. There is no need of using coloured/designer sheets, you can work on plain A4 size sheets or register sheets. Only black/blue pen should be used.
3. All the students are required to revise the syllabus covered so far of all the subjects thoroughly.
4. Parents can act as facilitators at home but the work should be done independently by the child in his/her own handwriting. Plagiarism and copying from the internet can lead to cancellation of the homework.
5. Worksheets of each subject are given along with their respective Holiday Homework. The students should take its printout/handout and submit it to the concerned subject teacher on the reopening day of the school. If the student is unable to take out a print, he/she can use plain sheets/ register sheets and copy down the questions/answers.

ENGLISH

Q1. You have been under a lockdown for the past many days. These days have been a constant roller coaster of various emotions including fear, happiness, fun, sadness, etc. Maintain a personal diary and write one diary entry everyday, sharing your feelings and emotions.

Q2. You came across a newspaper article and various news reports showing various images of how nature is healing itself during this period, when humans are under thelockdown. Do your bit towards nature and plant a sapling/ any seeds. Along with

it, you realised that your physical and mental health along with your family, is of utmost importance in life. So you decide to make a new start everyday and do various activities like helping your mother in the daily chores, yoga, meditation etc. Make a comic strip of these activities showing how you spent your quarantine period.

Q3. Read the following books online (1. Adventures of Pinocchio 2. Robinson Crusoe) and write:

- a. Synopsis of the book,
- b. The character you liked the most and why
- c. 10 new words with their meanings, synonyms and usage in a sentence.

MATHEMATICS:

Q. As you all know COVID 19 is a menace to the world right now. This activity is regarding the same. You have to collect the data of the number of patients that are being admitted to the hospitals and the number of patients that recovered on a daily basis from May 16 to May 22 i.e first week of your holidays and the last week of your holidays i.e. June 24 to June 30.

After collecting the data, you have to calculate the relative increase/ decrease on a daily basis. And at last, compare the data of the first and the last week and hence calculate the percentage change in the number of patients.

SCIENCE:

- 1) COVID-19 lockdown—A makeover for ‘Mother Nature’
(Collect information and write how the coronavirus pandemic is affecting the carbon dioxide emissions, how the rivers are much cleaner now, how the ozone layer is healing, how the animals are roaming freely on the streets- how nature is healing during the lockdown). Support your views by pasting pictures.
- 2) Tap into your self-healing power and write various ways to boost your immune system.

SOCIAL SCIENCE:

Make a project on A4 size sheets.

The topic of the project is as follows -

In the era of COVID-19, how is reverse glass ceiling gaining its roots rapidly in our society and changing the defined gender roles prescribed to men and women by society. Also discuss how is this going to penetrate our system and bring about gender equality. You can support your project with the experiences of your own family members and neighbourhood.

COMPUTER SCIENCE :

- 1) Make a poster on "Reduce, Reuse and Recycle" by providing different slogans using MS Word Application.
- 2) Make a flowchart showing different activities that we can follow to help nature self-heal.
- 3) Mail both the activities on vandanashishodia30@gmail.com with the following details:
 - a) Name of the child
 - b) Roll number
 - c) Class and section
