

DOON PUBLIC SCHOOL, PASCHIM VIHAR, NEW DELHI

CLASS 8

Do your homework, study the craft, believe in yourself, and out-work everyone.

-Justin Hires

General instructions-

1. It is mandatory to do the activities of all the subjects in the same folder.
2. The child will be assessed for the neat handwriting, creativity and originality.
3. Revise syllabus covered so far, of all the subjects, thoroughly.
4. Parents can be facilitators at home but the work should be done independently by the child in his/her own handwriting.
5. Worksheets of each subject are given along with the respective Holiday Homework. The students should take its printout/handout and submit it to the concerned subject teachers on the reopening day of school.

*Please note that the marks are for the content and **not** the beautification of the file. There is no need to do the work on designer/coloured sheets. Plain A4 white sheets or register sheets can be used. Also, only a black and blue pen should be used.

It is time to put the available resources to optimal use and do the best with it.

INTERGRATED HOLIDAY HOMEWORK

Spread Facts, Not Fear!

#COVID-19

English

Worksheet-

Complete the given worksheets of Sentences, Pronouns, Adjectives and Determiners.

Activity-

1. Design a poster to increase awareness among the people on COVID-19 and the precautions that should be taken to prevent it. Also give a catchy slogan. (You may take hints from the grammar book pg. 284)

2. Write an article in not more than 250 words describing your fears, concerns and thoughts on the global pandemic of Corona virus.

Or

Write a letter to your cousin who stays in another city describing your feelings and sharing your views on the pandemic. Also talk about your inability to visit him/ her during the summer break due to the lockdown.

Mathematics

Worksheet-

Complete the given worksheets of the following chapters-

Linear Equation(Ch-7)

Direct and InverseProportion(Ch-13)

Introduction to Graphs(Ch-8)

Rational Numbers(Ch-6)

Activity-

Based on the COVID-19 global pandemic, make a Bar graph representing the number of CORONA VIRUS patients of 5 different countries as per the data on 30 April 2020.

Or

Make a Bar graph representing the recovered patients of 5 different countries in March 2020 & April 2020. (Students would make two bar graphs, one for each month.)

Science

1. Complete the worksheets posted on the group.

Worksheet No. 1 Chapter 13 Sound

Worksheet No. 2 Chapter 8 The Cell

“An infodemic of misinformation and rumours is spreading more quickly than the current outbreak of Corona Virus.” – WHO (World Health Organisation)

Misleading information is sowing fear and confusion in our communities.

Students, let's spread facts, not fear in our fight against the Corona Virus.

This will help educate people, reduce all misinformation and enable everyone to stay healthy and safe.

Activity-

Prepare a brief research report on COVID-19 virus outbreak. You may include the following points.

- Causal organism
- Origin
- Mode of Transmission
- Symptoms
- Treatment
- Preventive measures, giving DOs and DON'Ts.
- At the end, pen down a write-up on "Life after COVID-19 Era"

If possible, justify your research report with pictures/ diagrams.

Social Science

Worksheet-

Complete the given worksheets of the British Power (History) and The Resources (Geography).

Activity-

Make a brief research report on the topic, 'COVID- 19' with the following sub-headings.

- History of COVID-19 (must include the genesis of the virus).

-Geographical spread of the virus.

-Short note on 'India under Lockdown' -- highlighting the impact on the Indian Economy and on the common man.

-On a political map of India mark any 3 red, orange and green zones as per the third lockdown.

OR

On the physical map of the World, mark the originating country of the virus and five other countries which are severely affected by the virus.

Computer Science

Worksheet-

Complete the worksheets posted on the group

Worksheet No. 1 Chapter 1 Networking Concepts

Worksheet No 2 Chapter 5 App Development

Activity-

1. Make an attractive Power Point Presentation including pictures and different animations on the topic 'COVID-19' using the information included in your project.

2. Create a flowchart depicting the difference between 'The Human Virus' and 'Computer Virus'.

3) Mail both the activities at tvandanashishodia30@gmail.com having the following details-

a) Name of the child

b) Roll number

c) Class and section

(Also, take screenshot of the mail and attach it in your project file)

Stay home, Stay safe!

Happy Holidays!
