Introduction--Aim—Purpose

- DOON PUBLIC SCHOOL paves the path for young minds to indulge in High Order Thinking Skills (HOTS) by introducing the Doon TED (**Talk, Enlighten & Discuss**) in school.
- The Inter-School Doon TED (**Talk, Enlighten & Discuss**) Competition serves as a platform for students to share their original stories and ideas that are worth spreading.
- It should be a short spontaneous talk that is idea focused and fosters learning, inspiration and wonder that provokes conversations that matter.
- Its objective is to spark conversation, connection and community.
- It motivates students to not just work on their communication skills but also makes them pragmatic enough to deal with the challenges of life.
- It is a gathering with speakers who provide intellectual food for thought along with insightful conversation.
- It helps brainstorm new ideas, motivates and imparts valuable and relevant knowledge with a motive to inspire.
